Thank you for sharing! We are proud to have been among the pioneers with two major initiatives - we have distributed shares to all our employees according to their length of service and contribution to the company's successes and distributed the first interim dividend. We have received support from our shareholders for both initiatives, which has always been an important indication for us confirming that we are doing the right thing.“, commented Mr. Ognian Donev, PhD, Executive Director and Chairman of the Board of Directors of Sopharma AD.
