- 1.8. On February 24, 2022, Russian military forces started hostile invasion in Ukraine. Subsequently, a number of countries imposed sanctions on certain individuals and legal entities in Russia. It is expected that the war in Ukraine and related economic sanctions and other measures taken by governments around the world will have a significant impact on both local and global economies.
The management of Sopharma AD believes that the unprovoked invasion of the Russian army into Ukraine could seriously affect the activities of the Company, as about 40% of sales of products are realized in Ukraine and Russia. At this stage, the company has reduced its activity in these markets, including due to logistical inability to make deliveries. As of the date of approval of these separate financial statements, the Company has no commercial counterparties included in sanctions lists published by the European Union.
The company owns investments in two subsidiaries in Ukraine. As of December 31, 2021 the amount of the investment in the subsidiary Sopharma Ukraine is BGN 9,669 thousand and the amount of the investment in the subsidiary Vitamini is BGN 1,283 thousand. As of the date of approval of these separate financial statements the assets of these subsidiaries companies are not physically affected by military activities, but it may be necessary in the future to reconsider the value of these investments depending on the development of the war and its impact on the activities of companies.

"Sopharma" AD informs all interested parties that the interim financial statements of the Company as at 30 June 2022 have not been verified by a registered auditor.
